

## Copy-editing Rates

The following rates are based on copy-editing for an agreed text. This service includes checking for errors in English, structural and style considerations and general feedback on content. Full terms and conditions apply below.

**Basic rate: £25 / 1,000 Words** (Simple text, or text requiring minor editing)

**Standard rate: £30 / 1,000 Words** (Advanced text, or basic text requiring major editing)

**Premium rate: £35 / 1,000 Words** (Advanced text requiring major editing)

These rates are for a **single copy-edit** of the agreed text. The editor will provide feedback on the edits and can help with additional edits at their discretion. Additional edits and editing of newly added or altered text will incur an additional fee.

Edits may include suggestions which are at the client's discretion to Accept.

Unless otherwise specified, edits will be completed using Microsoft Word's Track Changes, with all edits shown in the document. An additional document with all changes accepted can be provided if necessary.

Comments are provided within the document using Track Changes, additional thoughts from the editor can also be made available in email and in a separate document.
